

Little Havens is the children's hospice for Essex. We care for local children and their families living with life-limiting illnesses.

We make their journey as comfortable as possible, creating special memories along the way.

The love and care provided by the Care Team in the homely surroundings at Little Havens Children's Hospice is free of charge. As a charity, this could not continue without kind donations such as the one you are making every week by joining the Havens Weekly Draw.
