How to

Set up a **JustGiving**™ page

Here's our guide to everything you need to know about JustGiving charity donation pages.

However you are supporting Havens Hospices, it has never been easier to kick-start your fundraising efforts through an online charity donation page like JustGiving. JustGiving is a safe, secure site which uses the best technology to help people raise money for charity.

Creating an online fundraising page for Havens Hospices on JustGiving takes just a few minutes. After a few quick steps you will be able to share your story on email and social media and will be able to start receiving donations.

Why collect donations online?

- JustGiving allows you to tell your story about why you're fundraising, post photos and progress videos – your friends, family and colleagues are more likely to sponsor you if they know why you are fundraising and how you are getting on in your quest to hit your target.
- Spread the word by sharing your JustGiving page link by email or on social media. Posting on social media in particular is almost instant, you just share the link via your chosen platform, including WhatsApp.
- As you get donations, the money will come to Havens Hospices automatically and securely.
- For all donors who are a UK tax payer, JustGiving will automatically reclaim at least 25% in Gift Aid on donations at no additional cost.
