# Could you be a family speaker for Little Havens?

**Storytelling is one of the most powerful forms of communication. Here at Havens Hospices, we are fortunate to have people like you who are willing to share your experiences publicly.**

The types of events we usually need family speakers to attend, and share their story at, are for supporters who have raised lots of money for the charity.

There is no set time commitment, we would contact you when we have an event coming up, and if you don't feel you can talk about your experiences because there's a lot going on in your life at that point, you can decline.

**For more information or to ask questions on being a family speaker, please contact the Marketing and Digital Team on [info@havenshospices.org.uk](mailto:info@havenshospices.org.uk)**
