Fundraising for Havens Hospices

Every School
Making every
day count.

About us

When a child, young person or adult has been diagnosed with a complex or incurable condition, Havens Hospices can provide the care they need, 'Making every day count'.

Our specialist Care Teams can support them and their family living throughout illness, death and bereavement, in the comfort of their own home and through our hospice services, Fair Havens and Little Havens.

We don't charge a penny for our care – and that's only possible because of donations made by people like you. We must raise more than £85,000 each week to be there for everyone who needs us.

Join us and support your local hospice charity so we can continue 'Making every day count' for local families.

Inside our hospices

Visiting our hospices is a great way to see first-hand how your support is benefiting the charity. We'd be happy to arrange a tour of either hospice in person but please note that group sizes are restricted to six people including adults. Alternatively, you can click [here](#) to take a virtual tour of Little Havens or [here](#) for Fair Havens.

Our [YouTube channel](#) features a selection of stories from families who rely on our services, including [Evie's story](#). If appropriate for your pupils, please feel free to share our videos with them to help them understand how Havens Hospices is 'Making every day count' for families. Visit www.youtube.com/havenshospices

Ways to fundraise for Havens Hospices

Can you inspire your students and staff to fundraise for Havens Hospices?

There are lots of different ways you can support the charity - every pound raised will make a real difference to the families that we care for. We understand that not everyone can support us in the same way but there are plenty of ways for your staff and students to get involved and we're here to guide you every step of the way.

Charity of the Year

Select Havens Hospices as your school's Charity of the Year and support us with various events throughout the next 12 months. We will be on hand to help you with all the fundraising fun you have planned.

Bake sale

Show off your baking skills by creating some delicious sweet or savoury treats to sell during break or lunch times. Yummy bakes go down a treat in the staff room too so why not get the teachers and staff involved? It's an easy way to raise money and you get to eat lots of cake too!

Non Uniform day

'Dress down and pay a pound' is an easy way to get pupils and staff involved with raising money for Havens Hospices. Could you dress as your favourite fairytale character or have a Best Fancy Dress competition?

Enterprise Days

Create your very own 'Apprentice' style challenge Alan Sugar would be proud of. For example, start off by investing £10, and see how much money teams can raise for Havens Hospices using the money.

Fun Run

Hold a Fun Run or walk to raise money by getting sponsored. How many laps of the field can you complete in a time limit? Could you get a class or the school sponsored to complete 85,000 steps over a month - the number of pounds it costs to run our hospice services each week?

Spare Change

Ask your staff and students to bring in any spare change - 1p's, 2p's, 5p's. Out of the change could you create the Havens Hospices butterfly logo or your own artistic masterpiece?

Talent Contest

Everyone has a talent! Encourage your students and staff to show off their talents - singing, dancing, playing an instrument - or perhaps something more unusual! Sell tickets, have a raffle and hold a refreshments stall to maximise your fundraising.

Tabletop Sale

Ask parents and staff to donate any unwanted gifts or items they have lying around the home to sell or make your own handmade crafts.

How can I raise money for Havens Hospices?

To collect donations for Havens Hospices you could either:

-Set up a JustGiving page for your school – It's easy and quick to do, just click www.justgiving.com/havens and follow the instructions.

-Use one of our fundraising tins or buckets to collect cash from pupils and staff

How do I donate the money we raise to Havens Hospices?

If you have set up a JustGiving page for donations they will automatically be paid directly to us. If you have not collected cash donations in a Havens Hospices collection tin or bucket, you can:

Pay it online – visit www.havenshospices.org.uk/donate. Remember to state the name of your school so we can say thank you.

Pay it by BACS – please email fradmin@havenshospices.org.uk or your assigned Fundraiser to receive our bank details.

If you have used one of charity's collection tins or buckets, please leave them sealed and get in touch with us to arrange for a collection.

Can someone from Havens Hospices visit the school and talk about the charity?

We would be more than happy to visit your school and give a presentation or talk about Havens Hospices and the work that the charity does.

If this is something that you would like to arrange then please contact fradmin@havenshospices.org.uk

Hospice care can be a tricky concept to explain to young children. If you are a teacher and would like advice on how to describe hospice care please feel free to contact us.

You should now have everything you need to start fundraising for Havens Hospices

Our free essential hospice care can only continue thanks to the support from people like you.

We understand that not everyone can support us in the same way but there are plenty of ways for you to get involved - remember, we are here to support you every step of the way with your fundraising.

£20

Could pay for a meal for a family receiving care at our hospices

£30

Could help provide a hydrotherapy pool session at Little Havens

£100

Could provide a month of physiotherapy sessions for a patient

£6,000

Could pay for a whole day of care at either Fair Havens or Little Havens. Could your school raise this amount across the whole year? By sponsoring a specific date, we can ensure that your donation pays for the care that is given within your chosen hospice during those 24 hours.

If you have any questions about fundraising please email fradmin@havenshospices.org.uk

Bunting template

Print out as many sheets as you need, cutting along the edge of each triangle. Use some string, ribbon or rope and stick or staple each folded tab over the string to create your very own bunting.
