## Havens Hospices

Including Fair Havens Hospice & Little Havens Hospice

People are often surprised to learn Havens Hospices is a registered charity – not part of the NHS – and receives limited government funding. Each year Havens Hospices needs to raise over £124,000 each week to be there for everyone who needs them.

The charity's specialist Care Teams supports all those on difficult journeys in the comfort of their own home or at its hospices.

They offer a wide range of care and support options for patients and their loved ones, based on their needs and wishes.

**Your donation will help families make more of the time they have together.**
