

Step back in

time to the 1980's!

On Saturday 20th July we gathered together to take ourselves back in time to the 1980's and what a fun party it was! We were joined by **Create98**, a wonderful organisation who offered the young adults the chance to try their hand at **80's themed freestyle embroidery**, creating some amazing works of art to take home. At 2pm we welcomed **Thameside**

Wheelchair Dancing who ran a number of dance workshops

including line dancing to 80's classic hits. Our day ended with the **Funk Soul Mamas** incredible duet who had everyone up and dancing along to brilliant songs from the likes of Wham, Duran Duran, Whitney Houston and Madonna! Throughout the afternoon we were also delighted to have the wonderful animals from **Gemma's Farm** available. Gemma and her team brought along a variety of animals including chickens, sheep, goats, a miniature pony, ferrets, guinea pigs and mice all happy to be stroked or held. We also had our **scalextric track** out, **nail painting**, a **sensory room**, fantastic **complementary therapy** and of course **yummy cakes** to enjoy! It was a vibrant group full of the fun of the 80's and we are looking forward to our next group which will be a **90's extravaganza!**
