

# Make Your Mark this Christmas

**This Christmas, we're inviting schools, businesses, and community groups to 'Make Your Mark' for the children, adults and families cared for by Havens Hospices.**

Every "mark" – whether it's a donation, a thumbprint, or a kind message – helps lift up those needing hospice care during the festive season.

Join us in decorating your own Make Your Mark House and show how your team is making a difference.

## How to get involved:

Use one of our templates featuring the campaign house printed A3 or A4. Add:

- Thumbprint "balloons" with staff or pupil names
- Festive messages or team photos
- Your logo, or a team signature

Display it in your shop window, reception area, staffroom or classroom.

Post photos of your completed poster on social media and tag: @HavensHospices #MakeYourMark so we can reshare and celebrate your support!

## How to donate or fundraise

Every donation means we can be there for family in need this Christmas. You can:

- Collect donations as a team and donate online
- Set up your own fundraising page
- Or scan the QR code on the poster to give directly

## What your support means

Because of people like you, children and adults can make precious Christmas memories, families feel supported, and everyone in our care can experience the specialist support they need and deserve during the festive season.

# Make Your Mark this Christmas

..... is proud to  
support local hospice care.

**For every £10 you raise colour in one of the balloons.**

Raising £96 could pay for a creative therapy session for a family to create precious keepsakes like this house painting.
